I have three clear pictures of the rear alley of that address. Are they accurately reporting the collection address? In the first one the pictures submitted by her doesn't appear to be taken in the rear alley. I can send the staff back but please convey to her that we need accurate addresses, the drivers have a high volume of stops to collect so they will go to the address and move on if they can't find it.

Hello Sarah,

These requests were not picked up. Mayela mentioned that she and the constituents who create a SR# for these locations always have a challenging time to get their requests cleared. Here are the SR#s:

The illegal dumping is located on the alleyway behind 15040 Chatsworth St btwn Burnet Ave and Lemona Ave.
